

# BOOK MONTH 2021

OLD WORLDS, NEW WORLD, OTHER WORLDS

## Visiting Author

**Cristy Burne** is an Australian science writer and internationally published author. She has written several children's books and has worked in science writing for nearly two decades. She has also been a science circus performer, garbage analyst and atom-smashing reporter, but her all-time favourite job is working with kids to embrace the intersection between science, technology and creativity. Cristy is based in Perth and is *always* working on her next book.

She loves to mix creative thinking with STEM and STEAM to engage and inspire young people. Cristy loves being outdoors and having adventures, and she's keen to share her passion for science, innovation, creativity and bravery with kids everywhere.

Book titles include:
